

THE GERMINATION PROJECT

**DRAFT DAY BENEFIT GALA
AT THE UNION LEAGUE**
TUESDAY, SEPTEMBER 19, 2017

FELLOWSHIP & PROJECT ENDOWMENT

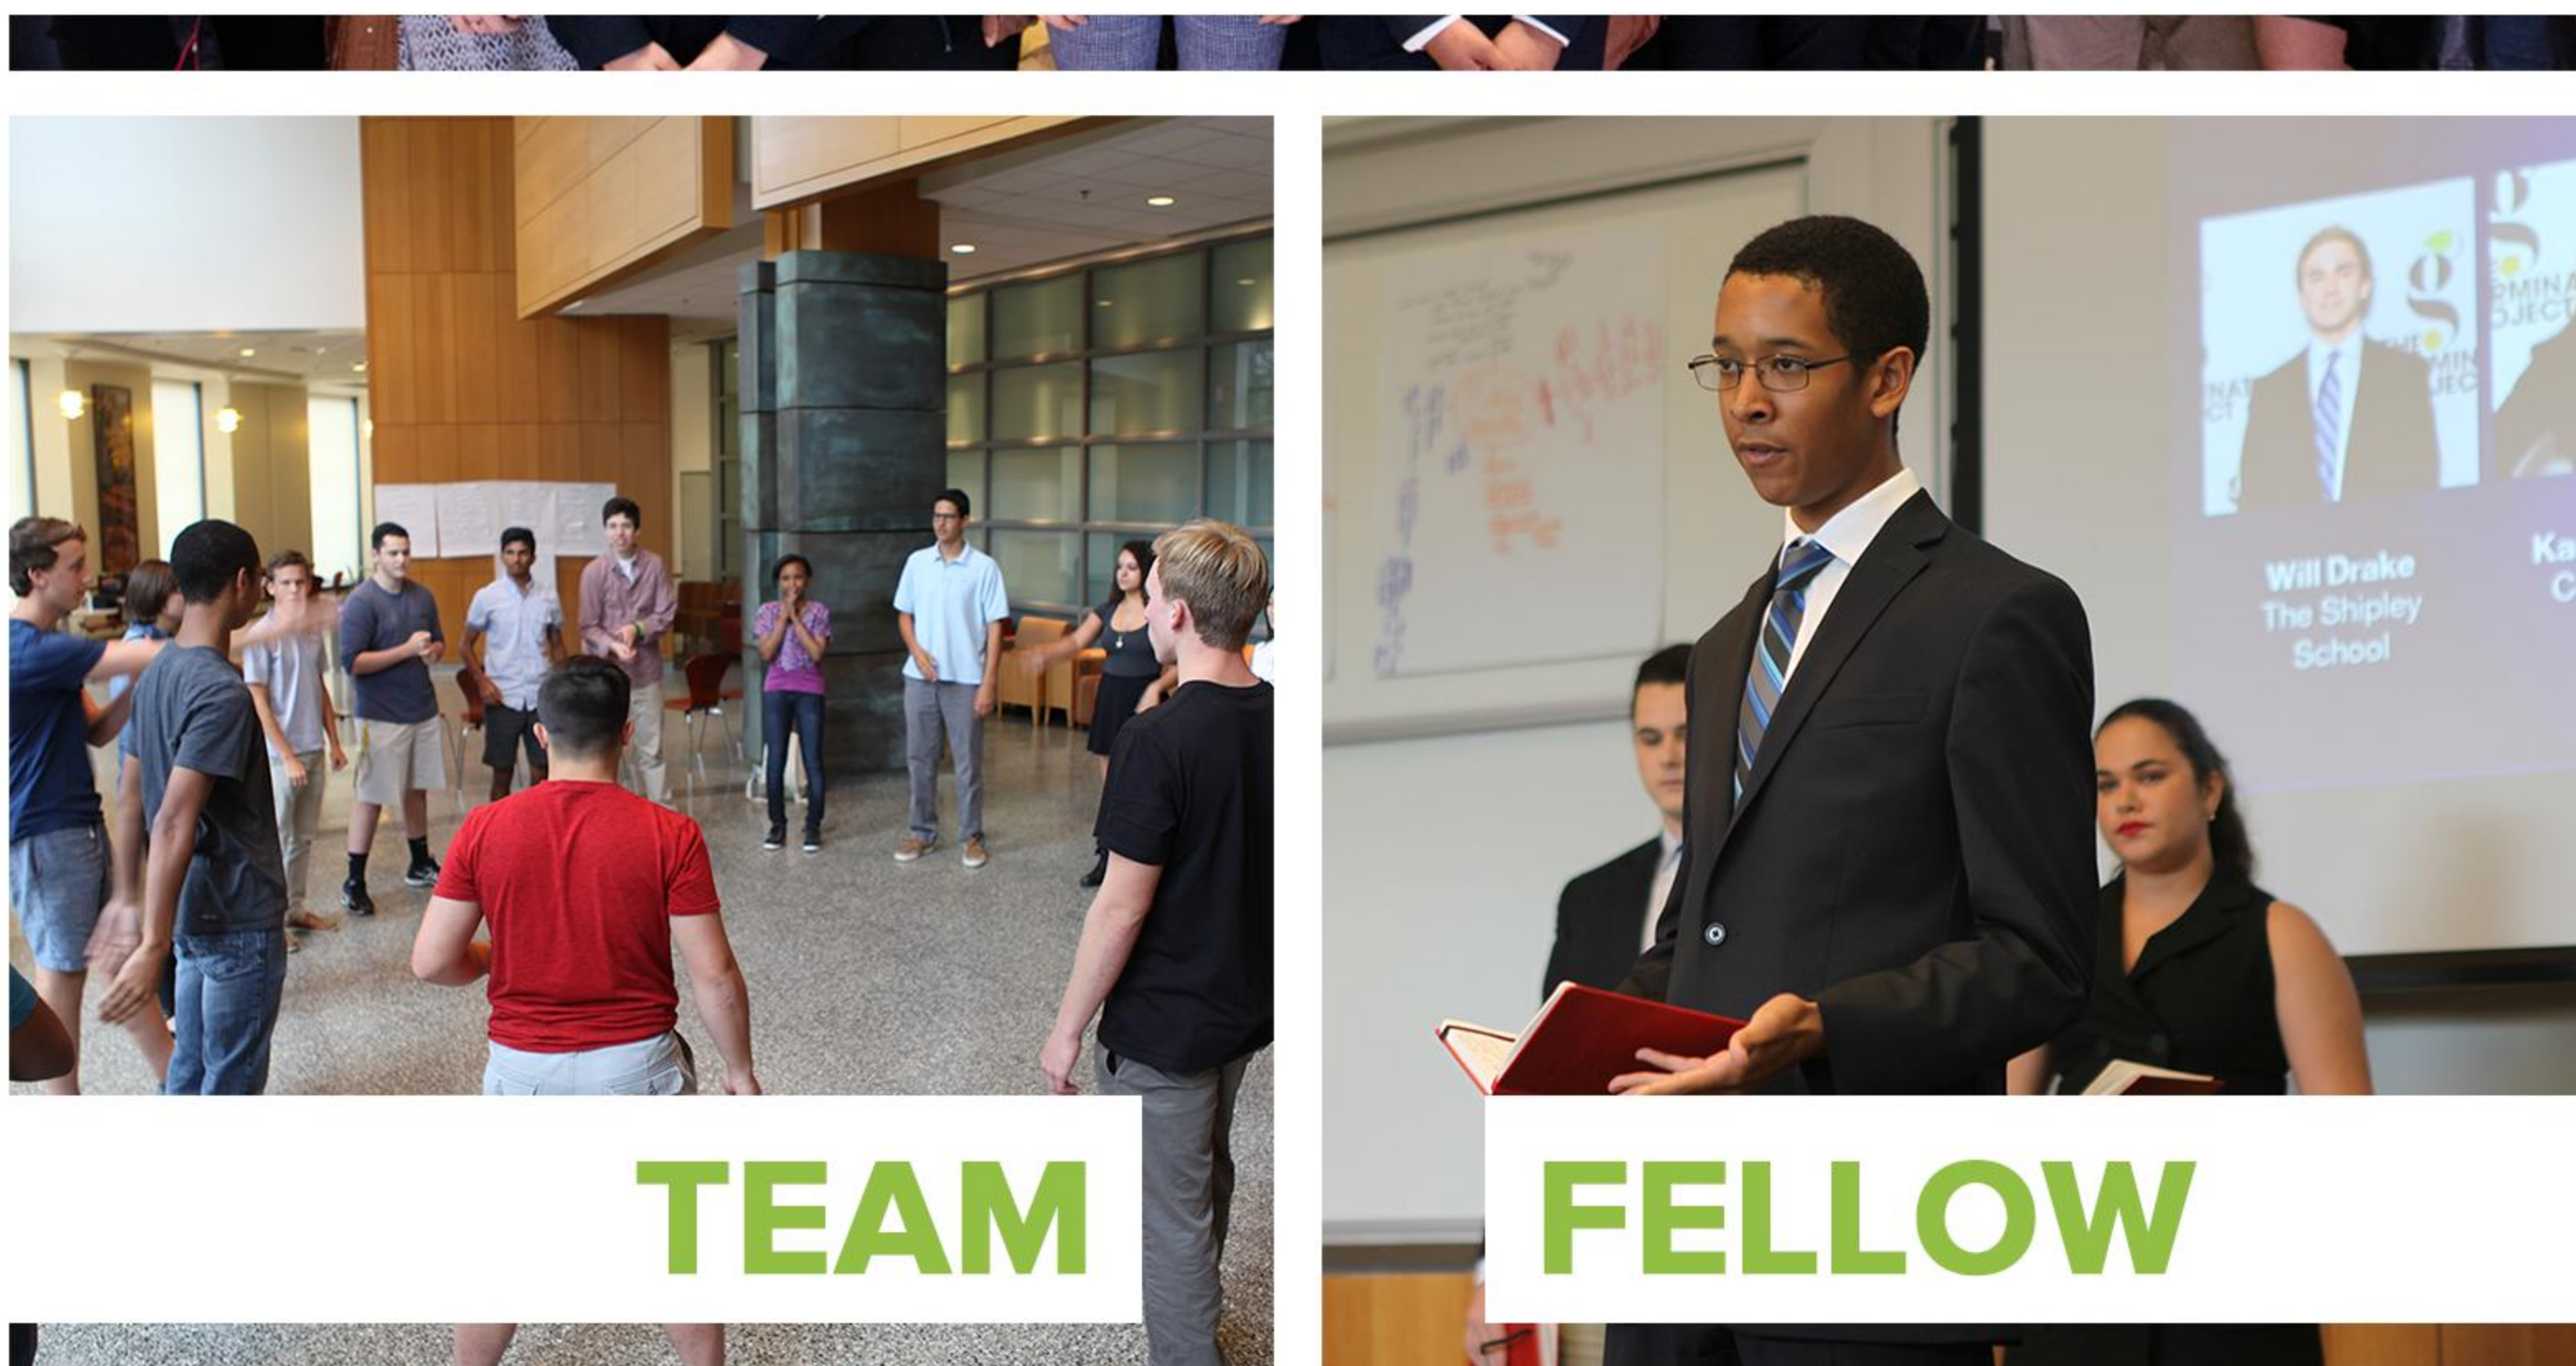

The Germination Project identifies those young men and women who possess the talent, drive, and commitment to be part of Philadelphia's next generation of leaders. These Fellows, as part of their development, will focus on eradicating intergenerational poverty in our region. This initiative is critical to securing Philadelphia's future and provides Fellows with the opportunity to identify and implement multi-faceted approaches to an entrenched poverty problem that has expansive roots in education, public safety, healthcare, and beyond.

As the inaugural Class of 2015 Germination Project Fellows depart for college, leaving behind a legacy of improving children's literacy and community access to healthcare, the incoming 2017 Fellows are poised to make their own inroads. Each project, no matter the magnitude, creates an opportunity for the Fellows to make an immediate impact and further develop their understanding that solving complex problems requires sustained and varied solutions.

Through the endowment of one or more Fellowships or the endowment of a project of interest, the Germination Project invites you to be a direct part of the work and development of the Fellows. Through these endowments you will be fostering a year's worth of personal development and investing in a young individual seeking to elevate Philadelphia to new heights.

PROJECT

TEAM

FELLOW

ENDOWMENT LEVELS

ENDOW A **PROJECT**

Eradicating intergenerational poverty is a mission that benefits from collaboration and diversity of ideas. Now is your chance to be actively involved with the Fellows and this mission.

Endow a project of interest and the Germination Project will commit a group of Fellows and resources to work on the project. Possibilities range from a specific service activity to a research project that opens up how we are thinking about a certain issue.

The Fellows are not the only ones with big aspirations for our region. Now is the chance for our sponsors to be heard.

ENDOW A **TEAM**

The Fellows are hard at work brainstorming an array of projects to be completed over the course of the next year. The Fellows will be out in the community making a positive impact.

Endow a Fellowship Team and the Germination Project will designate a select group of Fellows that will complete their work under the name of their sponsor. The Germination Project may be putting plans into action, but our sponsors are deserving of recognition in the community for making this possible year after year.

ENDOW A **FELLOW**

The Fellows are bound by a shared passion but each comes to the Germination Project with his or her own unique story, dreams, and ambitions.

Endow a Fellow and the Germination Project will endeavor to match the interests of each Fellow with those of the sponsor. Not only will you be making the Germination Project's work possible this year, but you will be establishing a bond with a rising star and have the opportunity to provide the Fellow with valuable guidance and support.

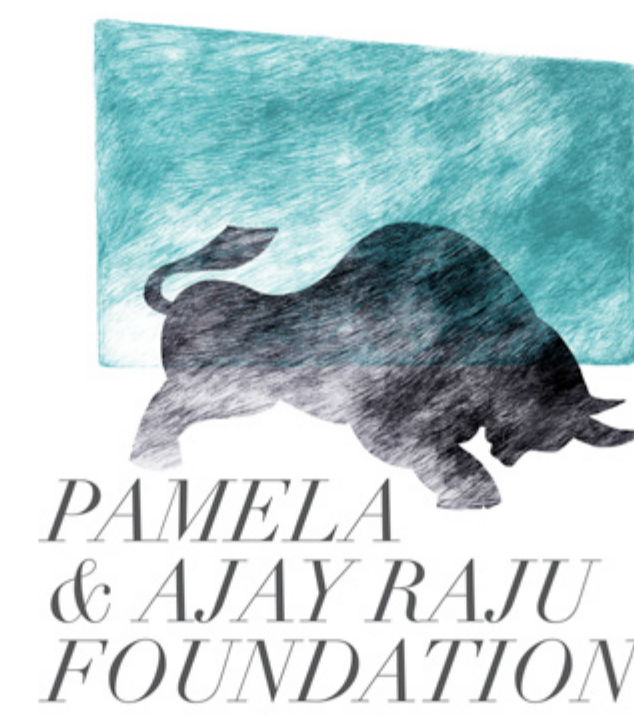

PROM ROYALTY \$100,000

Endowment: One Project & Three Fellowship Teams (See previous page)

Gala Attendance: Five full tables (10 people each, 50 total), 50 tickets to the VIP Cocktail Reception
